

Dr. Bhuvanesh Gupta

Dr. Bhuvanesh Gupta is the Honorary Professor at Indian Institute of Packaging Delhi. He is also the Chairman, SmartBio Innovations Pvt. Ltd. and President of Asian Polymer Association. He has been a distinguished professor in the field of Textile Technology and Polymeric Materials at IIT Delhi for 25 years. Prof. Gupta has been associated as President with several other international bodies, Society of Biomaterials Artificial Organs India (Delhi), Society of Tissue Engineering & Regenerative Medicine, India and Indo-Italian Forum on Biomaterials & Tissue Engineering. Dr. Gupta did his PhD from IIT Delhi and spent a few years as post-doc in Paris. Subsequently, Dr. Gupta worked for eight years in France, Sweden and Switzerland under different capacities in several laboratories. His research activities are Functional Textiles, Medical Textiles, as well as Nanomaterials in collaboration with AIIMS New Delhi, PGI Chandigarh, NEHU Shillong, Indian Institute of Ayurveda, New Delhi, MLSU Udaipur, and Sikkim Manipal Medical Institute, Gangtok.

Dr. Gupta had brief assignment as Director (Research) at Sikkim Manipal University Gangtok. He has been the member of DBT talk force of Government of India. He is on the editorial board of several journals. Winner of several awards and medals, Dr. Gupta has around 220 publications in International journals and 500 conference presentations in India and abroad along with 36 patents to his credit. Several of these patents and technologies have been transferred to industries. Dr. Gupta has been invited by several laboratories across Europe for delivering talks. With a strong support from a large number of doctorate students and scientists, the Prof. Gupta's group is engaged in different areas of biotextiles and polymeric biomaterials.

Dr. Bhuvanesh Gupta is receiving Honorary Fellowship Award by the hands of Prof. (Dr.) B. K. Behra, IIT Delhi, Conference Knowledge Partner

Dr. Bhuvanesh Gupta Honorary Professor at Indian Institute of Packaging Delhi has been conferred and awarded as Honorary Fellowship of The Textile Association (F.T.A.) for the significant contribution in the academic field and has been awarded during the 77th All India Textile Conference held on 16th March, 2024 at New Delhi.
